

PeopleSoft Employee Self-Service (ESS): Viewing Your Paycheck

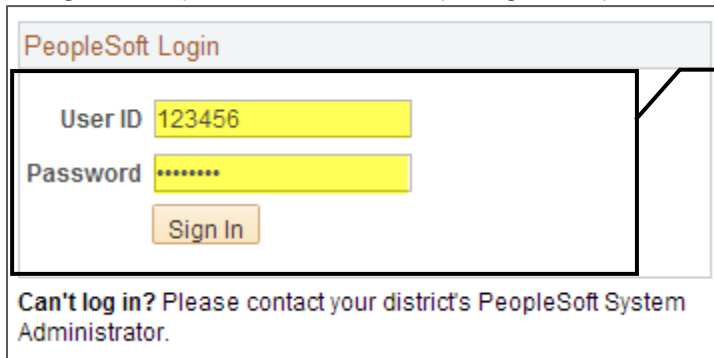

Effective June 13, 2014

These directions explain how to use the new PeopleSoft Employee Self-Service (ESS) website to view your paycheck. In this document, the term "paycheck" refers to your paystub.

A. Logging In to ESS

Directions:

1. Go to the district's intranet or website where you currently go to view your paychecks.
2. Click the PeopleSoft Employee Self-Service (ESS) link.
3. Log in with your PeopleSoft User ID and password. If you are a new user, you will be forced to change your auto-generated password the first time you log in (see p.2).

USER ID:

- User ID = Your employee ID without hyphens.
- Example: 123456.

AUTO-GENERATED PASSWORD:

- Password = The First 4 of YOUR LAST NAME IN CAPS + Last 4 of SSN.
- Example: Pat Smith = SMIT6789
- Example: Taylor Vo = VO6789
- Example: Sam O'Hara = O'HA6789
- Example: Shannon Van Woy = VAN 6789 (with a space)

NOTE: If you began using PeopleSoft in January - May 2014, continue to use your existing password issued to you by the SDCOE Customer Resource Center during your training.

HOW TO GET HELP

If you cannot log in or are experiencing issues, please contact your district's PeopleSoft contact. Provide your name, User ID, and a description of the problem. If necessary, the district PeopleSoft contact will work with the SDCOE Customer Resource Center (CRC) to resolve the issue.

B. Changing Your Password

On your first login, you will be prompted to change your auto generated password. You will need to change your password every 365 days.

Remember, your password is case sensitive. **NOTE:** If you were not prompted, or if you need to change your password in the future, navigate to **Main Menu > Change My Password**.
